EDUCATION

D.Y. Patil College of Engineering, Akurdi, Pune   2023 – 2026
BE (Computer) – CGPA: 9.42

Government Polytechnic, Pune   2020 – 2023
Diploma (Computer) – 90.93%

Chimbhale Madhyamik Vidyalay, Chimbhale   2019 – 2020
SSC – 94.60%

TECHNICAL SKILLS

- **Frontend** – HTML, CSS, React.js, Tailwind CSS

- **Backend** – Node.js, Express.js, MongoDB, REST APIs, MySQL

- **Tools** – Git & GitHub, VS Code, Mongo Atlas, Render/Vercel, Cloudinary

- **Programming Languages** – C++, Java, JavaScript

INTERNSHIP

Scalefull Technologies - 🗗   20 Dec 2024 – 03 Feb 2025

Software Engineering Intern (MERN Stack)

- Completed an internship focused on MERN stack development. Built a full-stack project using MongoDB, Express.js, React, and Node.js.

SELECTED PROJECTS

- **SkillConnect (Skill Swap Platform) - •** Live ⬡   *20 Jun 2024 – 25 Jun 2024*
  Technology – React, Express.js, Node.js, MongoDB, Context API, Tailwind CSS, JS, Socket.IO
  Designed and developed a real-time platform where users connect based on mutual teach-learn skills. Features include **profile-based skill matching, request management, live chat with Socket.IO, review/rating system, and admin panel** for user monitoring and platform control.

- **AI Trip Planner - •** Live ⬡   *03 March 2025 – 08 March 2025*
  Technology – React, Express, Node.js, MongoDB, Context API, HTML, CSS, JS, Gemini API
  Built a responsive full-stack travel app that generates **day-wise itineraries** using the Gemini API. Integrated interactive **maps, hotel suggestions, and saved trip functionality**. Developed with reusable components and **RESTful API** handling.

- **Rasoi Diaries (Recipe Sharing Platform) - •** Live ⬡   *15 Jan 2025 – 28 Jan 2025*
  Technology – React, Express, Node.js, MongoDB, Context API, HTML, CSS, JS, Cloudinary
  Built a full-stack **recipe-sharing platform** where users can **register, post recipes, explore others' recipes, like, and rate them**. Implemented **authentication**, recipe filtering by category, and secure API endpoints for complete **CRUD functionality**.

CERTIFICATIONS

- Web Development - MERN Stack 🗗
- Java Programming 🗗
- Salesforce Cloud Workshop 🗗

PROBLEM SOLVING

- Solved 230+ coding questions on GeeksforGeeks 🗗.
- Solved 190+ coding questions on LeetCode 🗗.

INTERESTS

- Music   • Coding   • Travelling
